Educational Excellence in Christ

Dear Parents and Students,

Cornerstone Christian Academy (CCA) welcomes you. We believe that your association with us will be a happy and rewarding experience. We will be glad to assist you in any way we can, so please do not hesitate to ask for assistance and guidance.

This Handbook will explain to you the rules and regulations of the school, as well as the commitment on the part of the school to you and your children. We **ask each parent and student** to study the Handbook carefully. We also ask that parents accept the responsibility of instructing their children as to its contents. We ask each student to abide by the stated rules and be governed by the intended spirit of the Handbook. If there are any questions concerning this publication, please feel free to ask any member of the Administration for an answer.

The following policies and procedures represent the most recent expression of leadership of Cornerstone Christian Academy (CCA) in order to provide for equitable and consistent treatment of students and families. To assure that CCA achieves and maintains the purpose of this policy manual and to assure the organization's continued ability to meet its needs and those of its students and families under changing conditions, **CCA reserves the right to modify, augment, suspend, or revoke any and all policies, procedures, practices, and statements contained in this manual at any time.**

We believe the commitment that you have made by enrolling your children in CCA represents an important step in providing a Christ-centered education, which will bear fruit for a lifetime.

Again, welcome to Cornerstone Christian Academy!

In Him,

CCA Administration and Staff

Foreword

Clear Communication

This Handbook strives to communicate the policies of CCA as clearly as possible. This Handbook will use correct grammar, rather than the plethora of ever-changing “Politically Correct” terms so prevalent in today’s society. To facilitate clear communication and in accordance with rules of correct English grammar, masculine pronouns will be used generically throughout. Similarly, the words “parent” and “parents” shall be used generically, where possible, to refer to a child’s primary caregivers, whether they be a married couple, single parent, or one or more guardians. This greatly simplifies the wording, eliminating cumbersome language such as, “...the parent(s)/guardian(s) should instruct his/her/their child (ren) in the way that he/she/they should behave...”

As you study and pray about the contents of the Family Handbook, please understand that the contents are exceedingly important. For this reason, no effort has been made to keep it brief. Every aspect of school life is set before you in an intellectually honest way. Our purpose and our practice is provided in order to secure your agreement as we set ourselves to the awesome task of bringing sons and daughters up in the nurture and admonition of the Lord. **The beliefs, values, and practices of home and school must be congruent. This official handbook is the basis of understanding between home and school.**

Section A – General Policies

Article 1 – School Policy Statement

CCA is a non-denominational school seeking to meet the educational needs of the Christian community. The school board sets the policies of the school. Parents and students are expected to cooperate fully with the school policies as set forth in this handbook.

Article 2 – General Purpose

It has always been a part of God’s plan that parents are ultimately responsible for the education and development of their children.

- *These commandments that I give you today are to be upon your hearts. Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up. Deuteronomy 6:6-7*
- *Fathers, do not exasperate your children; instead, bring them up in the training and instruction of the Lord. Ephesians 6:4*

Purpose

The purpose of Cornerstone Christian Academy is to partner with parents to guide and establish Biblically-based learning experiences from which students become maturing Christians, fervent in their faith, and productive members of society through spiritual commitment and academic excellence.

The purpose of CCA is driven by the following beliefs concerning student success:
Student success is best displayed when a student...

- has a personal relationship with God through faith in Jesus Christ.
- develops a Christian mind and a Christian lifestyle.
- has the ability to apply Biblical principles to all that is learned.
- maintains rigorous and comprehensive academic endeavors marked by high achievement.
- participates in extra-curricular programs demonstrating social growth and expressing individual personality.
- participates in effective service and missions of Christ.
- is involved in a local, Bible-teaching church.

Vision

Fully Devoted Disciples...
Leveraging Influence, Impacting Lives

Mission Statement

Our Mission is to create an environment where students:

- Receive* an excellent education based on God’s Word
- Realize* their unique purpose in God’s Plan
- Respond* productively to God’s Call

Article 3 – Statement of Faith

- We believe that both the Old and New Testaments are the inspired Word of God, revealing the three Persons of the Godhead: Father, Son, and Holy Spirit. (I Timothy 3:16-17, II Peter 1:20-21)
- We believe in the Deity, Incarnation and Virgin Birth of our Lord and Savior Jesus Christ.
- We believe that man was created in the image of God, but became separated from God by sin.
- We believe that man is redeemed by grace through faith in Christ’s vicarious atonement for sins, the shedding of His blood on the Cross. (Acts 4:12, Romans 3:21-26, Romans 5:8-10, Ephesians 2:4-10)

Section A – General Policies

- We believe that the gift of eternal life is available to all men, that those who receive Christ by faith are regenerated by the Holy Spirit and thereby become children of God.
- We believe in the bodily resurrection of Christ, His imminent return, and the resurrection of His people.

Our Bible courses and school devotionals reflect basic doctrines of the Bible. Cornerstone will submit to His Lordship in a wise manner, at all times, to glorify Jesus Christ.

Article 4 - Statement on Marriage and Sexuality

We believe that the term “marriage” has only one meaning, and that is marriage sanctioned by God, which joins one man and one woman in a single, exclusive, covenantal union, as delineated in Scripture. We believe that God intends sexual intimacy to only occur between a man and a woman who are married to each other.

We believe that God has commanded that no intimate sexual activity be engaged in outside of a marriage between a man and a woman. We believe that any form of sexual immorality; such as adultery, fornication, homosexual conduct, bisexual conduct, bestiality, incest, use of pornography, any attempt to change one’s sex, or disagreement with one’s biological sex, is sinful and offensive to God per scripture.

We believe that God offers redemption and restoration to all who confess and forsake their sin, seeking His mercy and forgiveness through Jesus Christ. We believe that every person must be afforded compassion, love, kindness, respect, and dignity. Hateful and harassing behavior or attitudes directed toward any individual are to be repudiated and are not in accord with Scripture.

(Genesis 1:27-28; Genesis 2:18-25; Exodus 20:14; Matthew 19:3-12; Romans 1:26-27; 1 Corinthians 6:9-20; Ephesians 5:22-33; Hebrews 13:4).

Article 5 – Philosophy of Christian Education

CCA begins with the premise that true education is a Christian education. This premise is based on the fact that only Christian education teaches with all the dimensions of life viewed from a Biblical perspective.

- A. Reality.** God is the personal and purposeful Creator and represents the guiding force of the universe. Reality in life involves the understanding that God is real and is active in the lives of men, women, and children today.
- B. Truth.** All truth is God’s truth. Truth is consistent throughout the universe. Truth exists and is an absolute. God has shown Himself through His Scriptures, and man’s understanding of truth comes through a study of the inspired Word of God and in understanding of His creation.
- C. Knowledge.** We are called to *retain the knowledge of God* (Romans 1). All knowledge must be put in the context of Biblical truth. Any knowledge or personal conviction that serves as a guiding principle in an individual’s life must be based on truth as revealed in God’s inspired Word.
- D. Man.** Man is created in the spiritual and moral image or likeness of God. Man’s essential nature is his freedom to choose or decide for himself what his behavior will be, what he will think, become, say, and do. Man’s inherent nature and his environment (consisting of both good and evil) affect his essential freedom of choice; therefore, he is in need of special help to choose good and to find fulfillment in a reconciled life made possible by Jesus Christ, the divine Son of God.
- E. Christian Education.** In order for an educational program to be academically sound and instructionally effective, it must be founded upon Christian educational principles that recognize the true nature of God, of truth, of knowledge, and of man. Implicit in Christian education are these basic truths:

Section A – General Policies

1. Man possesses a spiritual dimension.
 - *Then God said, "Let us make man in our image, in our likeness, and let them rule over the fish of the sea and the birds of the air, over the livestock, over all the earth, and over all the creatures that move along the ground." So God created man in his own image, in the image of God He created him; male and female He created them. Genesis 1:26-27*
2. Education involves the total being: spiritual, intellectual, physical, emotional, and social.
 - *Instruct a wise man and he will be wiser still; teach a righteous man and he will add to his learning. Proverbs 9:9*
3. Each person possesses unique, individual potential, talents, and needs.
 - *For by the grace given me I say to every one of you: Do not think of yourself more highly than you ought, but rather think of yourself with sober judgment, in accordance with the measure of faith God has given you. Just as each of us has one body with many members, and these members do not all have the same function, so in Christ we who are many form one body, and each member belongs to all the others. We have different gifts, according to the grace given us. If a man's gift is prophesying, let him use it in proportion to his faith. If it is serving, let him serve; if it is teaching, let him teach; if it is encouraging, let him encourage; if it is contributing to the needs of others, let him give generously; if it is leadership, let him govern diligently; if it is showing mercy, let him do it cheerfully. Romans 12:3-8*
4. The educational experience must primarily emphasize the development of Christian beliefs, attitudes, and skills toward zealous application.
5. An integration of Biblical truths will be an inseparable and primary part of the total educational process. Christian concepts will be unified with, inseparable from, and central to the academic offerings.
6. Youth need a steady influence while preparing to live in a complex society. Only the Bible has the answers to man's needs and longings, and therefore will serve as our final authority on all questions.

To fulfill these responsibilities it is the goal of Cornerstone Christian Academy to:

A. Christian Faith and Values

1. help each student increase in knowledge of God and accept Him as the source of knowledge and wisdom.
2. encourage each student to accept Christ as personal Savior and to continue to grow and develop in the knowledge of Christ to become more like Him (Ephesians 4:13).
3. help each student understand the present ministry of the Holy Spirit, who lives in each believer and guides each believer in the understanding and application of Biblical principles (John 14:26, John 16:13, 1 Corinthians 6:19).
4. help each student gain knowledge of, appreciation for, and confidence in the Bible as the only inspired, infallible, and authoritative Word of God, and encourage each student to be consistent in personal Bible Study.
5. help each student understand the significance of the local Bible-teaching church and the necessity for regular attendance and involvement.
6. help each student identify and develop his unique gifts and abilities, and instill the importance of using them for the benefit of the entire Christian community (1 Corinthians 12:7, Ephesians 4:16).
7. help each student with the development of personal Christian convictions and values, and commit to encourage them during times of pressure and adversity (Ephesians 6:11-13).

B. Christian Missions and Service

1. encourage each student to be sensitive and responsible to the needs of others (Philippians 2:4).
2. help each student develop the abilities and skills needed to effectively communicate the Gospel of Christ (Romans 1:16).
3. help each student develop a knowledge of and spiritual concern for other people and cultures, and assume the responsibility each Christian has in the area of world missions (Matthew 28:19-20).

Section A – General Policies

C. Intellectual Development

1. assist each student in recognizing that each area of instruction, whether Biblical, scientific, historical, mathematical, literary, or artistic, must be understood within the pattern of God's truth as revealed in the Bible.
2. assist each student to acquire proficiency in the basic skills necessary to intelligently meet the demands of life.
3. help each student gain a thorough command of the fundamental processes used in communicating with others.
4. challenge each student to strive for excellence and maximum achievement in every area of the instructional program.
5. prepare each student to pursue independent study, to reason logically, and to develop a life-long interest in learning and intellectual development (Proverbs 19:8).
6. prepare each student with the knowledge and skills necessary for further study and for occupational competence.
7. assist each student in the development of creative and critical thinking skills, using Biblical principles and criteria as a basis for evaluation.

D. Physical Development

1. assist each student to understand that the body is the temple of God and is to be kept clean and pure, capable of responding to God's direction (1 Corinthians 6:19-20).
2. encourage each student to accept personal responsibility for achieving and maintaining physical fitness and practicing good habits of health.
3. develop in each student an awareness that a healthy physical body contributes significantly to a sound mental, spiritual, and social state (1 Corinthians 9:24-27).
4. assist each student in recognizing the dangers inherent in the use of substances harmful to both physical and spiritual well being, and in accepting responsibility to avoid the use of such substances.
5. assist each student to develop an interest in the skills needed for life-long involvement in physical activities.

E. Social Development

1. encourage each student to develop Christian attitudes, accept Biblical principles of behavior, and base decisions on the spiritual, moral, and ethical values of the Bible.
2. prepare each student to assume the responsibility and privileges of citizenship.
3. teach each student the Biblical principles regarding marriage and family life and the personal commitment needed to establish and maintain Christian families.
4. assist each student to acquire the attitude and skills essential to effective interpersonal relationships.

F. Career Development

1. assist each student to acquire a basic knowledge of the economic system, to develop attitudes and skills needed to be a competent consumer, and to apply Biblical principles to the use of personal resources.
2. assist each student to develop respect for the dignity of labor and pride of performance.
3. assist students in developing values, attitudes, and basic knowledge essential to the world of work through career awareness and exploration.

Article 6 – Why the Christian School?

Parents are mandated by God to educate their children. Children are gifts from God.

- *Sons are a heritage from the Lord, children a reward from Him. Like arrows in the hands of a warrior are sons born in one's youth. Blessed is the man whose quiver is full of them. They will not be put to shame when they contend with their enemies in the gate. Psalms 127:3-5*

Section A – General Policies

Parents are responsible to train their children in the way of the Lord and not in the ways of the world.

- *Train a child in the way he should go, and when he is old he will not turn from it.* Proverbs 22:6
- *Fathers, do not exasperate your children; instead, bring them up in the training and instruction of the Lord.* Eph 6:4

God's people are told, *"This is what the Lord says: "Do not learn the ways of the nations... For the customs of the peoples are worthless..."* Jeremiah 10:2-3. Proverbs 19:27 states, *"Stop listening to instruction, my son, and you will stray from the words of knowledge."* It is obvious that God has been very careful to instruct and warn parents as to the type of education a child is to receive.

In God's economy of things, He has ordained three basic institutions: The Family, the Church and the State. In fulfilling parental responsibility for the education of children, the family usually seeks help and support from one of those institutions outside the home. Since there is no Biblical authority for the State being involved in education, the creation of a Christian school under the direction and influence of the Christian community serves as an extension of the home in assisting the parents in fulfilling their Christian responsibility to train their children.

Article 7 – Basic Educational Goals

The student will...

- give God the glory in all things.
- be equipped to lead non-Christian to Christ with the use of scripture and testimony.
- become spiritual leaders in the Church.
- understand their capabilities and limitations and how to make the most of them toward growth and service.
- have the ability to communicate clearly, logically, and effectively through reading, writing, speaking, and listening.
- be creative and curious.
- be appreciative of the arts.
- understand and practice the fundamentals of physical fitness, nutrition, and hygiene.
- understand and practice the fundamentals of language arts, mathematics, social studies, science, and the Bible.
- have the ability to make constructive use of leisure time.

Article 8—Commitments (School, Teachers, Parents, Students)

A. The School:

1. Views the child as created by God, in God's image and likeness. The child is of inestimable value.
2. Pledges to assist the child at each level of education to fully realize his or her undeveloped capacities for knowledge and wisdom.
3. Takes a Biblical view of the child. From the scriptures, we obtain knowledge about children needing God's forgiveness and redemption through Jesus Christ our Lord; from the scriptures we obtain knowledge about Christian sons and daughters growing into the image of God's Son, needing loving nurture and encouragement and needing compassionate discipline and correction; and from the scriptures we obtain knowledge about children's uniqueness as persons, needing both the authority of law and the freedom of selfhood.
4. Takes a developmental view of the child. From formal and informal observations – we learn about children's personality differences; their varieties of motivation, readiness, and learning styles; and their developmental needs at the various stages of growth. From formal and informal observations, we learn about their fears and aggressions; their joys and spontaneity; their loneliness and aspirations; their struggles with right and wrong, true and false, real and unreal, and love and hate. From formal and informal observations of children, we learn about the effects on children who come from stable and motivated homes; about effects on children who come from unstable and undisciplined homes; about the effects on children of good and

Section A – General Policies

poor nutrition; about the effects on children of their emerging sexuality. From all such observations, both formal and informal, we learn about the complexity of human persons and how that complexity affects their educational requirements.

5. Is a non-denominational institution; therefore, doctrinal issues, which will arise, will be referred to the student's parents and ministers.

B. The Teachers:

1. Will be committed to the Lordship of Jesus Christ and set before students a noble model of Christian life and conduct.
2. Will seek to know each student's abilities, feelings, values, and hopes.
3. Will build many roads to success into the instructional program and assist each student every day to achieve success in an area of earnest endeavor.
4. Will communicate what is expected of students to student and parents.
5. Will communicate how students can receive assistance to successfully carry out what is expected of them.
6. Will respect each student as an image bearer of God, regardless of the student's performance.
7. Will lead the life of a Christian scholar in the worlds of fine arts, science, mathematics, language, literature, history, etc. The teacher will be a spiritual and intellectual model for students to follow and will offer rich challenges to students.
8. Will set before students the rigorous requirements in the pursuit of academic excellence.
9. Will teach and train students to become Christian scholars.

C. The Parents:

1. Have the primary responsibility for the training of their children to be committed to Christ and a Christian lifestyle. Parents should conduct regular family Bible reading in the home. Parents train by example as well as by precept.
2. Have the responsibility of a regular commitment to and active participation in a Bible-centered church.
3. Have the responsibility to encourage their children by carefully attending to the children's world of school. Parents should listen to and talk with children about the school day.
4. Have the responsibility to hold reasonable expectations for their children, consistent with the native ability of their children.
5. Have the responsibility to communicate to their children that their love for them is unrelated to their performance in school.
6. Have the responsibility to support the school and the teacher's authority in the eyes of their children.
7. Have the responsibility to resolve differences with the school or with a teacher in accordance with the scriptural principles outlined in Matthew 18:15-20. No exceptions.

D. The Students:

1. Will conform to and obey all rules and regulations of the school. The primary objective will be to develop respect for authority and to develop self-discipline on the part of the student. All students are subject to the authority of any staff member at any time on the school grounds or during school functions. Students will be courteous and respectful of teachers, aides, secretaries, maintenance personnel, visitors, etc. at all times. Disrespect or disobedience to staff members will not be tolerated.
2. Will strive to be Christ-Like at all times.
3. Will aim high and work diligently. Whatever the student does will be done with all his might as unto the Lord.
4. Will know that the scriptures are the foundation of the people of God and fit them fully for all branches of their life's work.
5. Will accept the rigor and discipline, which is required to become a Christian.

Section A – General Policies

Article 9 – Admissions Policy

CCA exists to offer Christian education in a Christian environment. Families of prospective students must be committed to Biblical Christianity and attend a Bible-centered church of their choice on a regular basis. Students will, therefore, be carefully selected in order to maintain a student body of high academic and moral standards. The vision of this school is that it be primarily a ministry of edification of the Body of Christ, not evangelization. Since, Biblically, the responsibility for the moral and intellectual (academic) education of children rests upon the parents, and specifically the father, the parents must continually agree to assume and exercise their Biblical responsibility as defined by the school leadership for the education of their children. The Christian school will serve as an extension, and resource, of the parents, in fulfilling the academic and moral education of their children.

Applicants transferring from another school (including home school) are required to furnish the school with transcripts from their prior school. Additional admissions tests may be required at the discretion of the Administration. Acceptance of the student will be based upon a signed agreement with the enrollment policy, agreement to fulfill the stipulations of this Handbook, an evaluation of the student's academic record, and payment of enrollment fees.

All students desiring to start Kindergarten at CCA must reach five (5) years of age on or before August 1st of the school year in which they desire to be enrolled. Exceptions to this policy may be requested in writing to the Headmaster. The Headmaster shall hold the authority to allow exceptions as substantiated by an established CCA kindergarten readiness assessment.

Criteria for admitting students to CCA (in order of importance)

- A. Attitude and Christian commitment of student and parents
- B. Record of student's academic performance
- C. Date of application for admission to CCA
- D. Church Attendance
 1. If student is in grades K3-5, does the *family* attend a Bible-centered church on a regular basis?
 2. If student is in grades 6-12, does the *student* attend a Bible-centered church on a regular basis?

Notice of Non-discrimination Policy

CCA admits students of any gender, race, color or national and ethnic origin to all the rights, privileges, programs and activities generally made available to students at the school. It does not discriminate on the basis of gender, race, color, or national and ethnic origin in the administration of its educational policies, admission policies, scholarship programs, and athletic and other programs **except** where necessitated by specific religious tenets held by the institution and its controlling body.

Article 10 – Enrollment Procedure

- A. Read this Handbook carefully, and obtain answers for any questions that may arise.
- B. Complete all forms and submit with enrollment fee, birth certificate, immunization certificate, and any applicable legal custody papers.
- C. Parents must schedule an interview with a school official. The prospective students should also attend the interview.
- D. The Director of Admissions will notify parents, in writing, of the acceptance/rejection status of the registration of each of their children enrolling at CCA.
- E. Parents will make the necessary financial arrangements required by the school.
- F. Parents will attend scheduled summer orientation meeting, unless applying for mid-term admittance.
- G. As the school continues to grow, there will be occasion where classes will fill up (See **Class Size**, Section A, Article 10). Each student that has completed the application process after the class is filled will be placed in a waiting pool. Based on enrollment and financial responsibilities to all of our families, we will not split a class until a pre-determined number of students are in the waiting pool. If a spot should come open prior to splitting a class, there are a number of factors that will be considered as to who will get the first opportunity to enroll:

Section A – General Policies

1. Child of a staff member
2. Sibling of other students enrolled at Cornerstone
3. Children of Alumni
4. Order in which student was enrolled

Re-enrollment

If a student withdraws for reasons other than moving or financial hardship, he may not be allowed to re-enroll for one academic year, pending review by the Headmaster. A student may be required to take a standardized test to assess academic level. Failure to achieve acceptable scores may result in retention in the same grade.

A student formerly expelled from any school, who desires to attend or return to CCA, must follow the normal admission procedures and handbook requirements as any other student. The student will be subject to a probationary period and may have further stipulations added to his enrollment based on his current and previous conduct. The probationary period and enrollment stipulations will be determined by the Headmaster, and will be based on the safety, needs, and Christian witness of the CCA student body as a whole. Students and their parents applying for re-enrollment must be able to verbalize and demonstrate the changes made in their previous lifestyle that would be acceptable to CCA and its general policies. A current pastor's reference will be required. *Produce fruit in keeping with repentance.* Matthew 3:8

Article 11 - International Student Program

Overview

In consideration of the scope of our vision, *Fully Devoted Students...Leveraging Influence, Impacting Lives*, the Cornerstone Christian Academy (CCA) International Students Program exists to expose international students to an environment where students receive an excellent education based on God's word, realize their unique purpose in God's plan, and respond productively to God's call. The program emphasizes academic rigor and college preparedness within a Biblical worldview in alignment with the school's statement of faith. International students are expected to comply with all policies of the *CCA Family Handbook*. It is our desire that students are taught and discover how to gain and develop a close, personal relationship with Jesus Christ and with others.

CCA accepts international students who demonstrate proficiency in the English language. Students may be asked to provide proficient English language scores on an approved assessment. Other factors of acceptance include enrollment availability, academic history, maturity, and parental support. Students who have demonstrated a history of strong academic achievement will be granted priority admission. Students are encouraged to be involved in extra-curricular activities. Those participating in the school's athletics program must meet all CCA requirements and must be in compliance with the Kentucky Christian Athletic Association (KCAA) and/or school associations.

Students within the International Studies Program are required to live with a local family. If the student's biological parents are not living in the area, each student will be placed with a Christian host family. All CCA host families must be screened and approved by the school, with criminal background checks done on each adult member living within the home. Students are expected to actively participate in the life of the family, inclusive of attending church services.

Tuition Policy

1. Tuition rates are set annually listed on the Tuition and Fees Schedule available at the school.
2. Tuition that becomes two months past due could subject the student to being withheld from attending school until such amounts due are made current.
3. **Withdrawal:** The hiring of teachers and staff and the ordering of classroom materials are based upon anticipated enrollment; therefore, one year’s tuition is due if a student withdraws after the school year begins. Parents will be expected to honor their full year’s commitment to the school. Requests for exceptions must be addressed to the School Board, in writing, and will only be considered in extreme circumstances such as death of a parent, loss of employment, or moving from the area. Withdrawals after August 1, but prior to the start of school, will be subject to a withdrawal fee equal to one month’s tuition payment. Student records will not be released until the account is paid in full.
4. A student’s progress reports and cumulative records will not be released from the school until all of his financial obligations are paid in full.
5. Students will not be permitted to re-enroll for the new school year until all financial obligations are paid in full.
6. If a student is expelled during the school year, remaining tuition may be waived upon final decision of the Headmaster and/or Board of Directors; however, if a student withdraws voluntarily, the parent is responsible for full payment of all remaining tuition.

Section A – General Policies

Financial Aid

The habitat program allows qualified families to receive a reduced out-of-pocket tuition rate. Qualifying families are encouraged to be highly active in recruiting, volunteering, and fundraising.

1. A third-party agency is utilized in helping to determine eligibility (annual fee applies).
2. Primary criteria include family income, number of students attending Cornerstone Christian Academy, and fulfillment of prior year commitments. Income to debt ratio may also be evaluated.
3. Tuition assistance applications can be obtained from the Admissions Office or online at www.factstuitionaid.com.

Tuition Payments

1. Tuition may be paid in one of two ways: a single, lump sum paid prior to the start of school or monthly payments made via automatic withdrawal from a bank account or debit/credit card. A 3% processing fee applies to payments made by debit/credit card.
2. Two monthly payment plans are available. The 12-month plan withdraws payments from July through June. The 10-month plan withdraws payments from August through May. Withdrawals are made on the 5th or the 20th of the month.
3. Monthly tuition payments are made through a third party company. An annual service fee of \$15 will be charged for use of the service. Monthly tuition payments that are returned for non-sufficient funds will be attempted two additional times. A \$25 fee for non-sufficient funds will be assessed each time they attempt. If you know you will not have the funds in your bank account, please contact the Financial Manager five business days prior to your withdrawal date to stop the payment, avoid this fee, and make new payment arrangements.
4. Tuition cannot be paid in the form of a donation to the school.

1. Class fees are set on an annual basis and listed on the Tuition and Fees Schedule available at the school. These fees help to purchase additional classroom resources and support the “Specials” classes (i.e. Library, Music, Art, PE, Computer, & Spanish). Invoices for class fees are enclosed in the Family Orientation packet. Payment is expected by the end of the first six weeks.
2. Students participating in the sports program will pay an annual athletic fee and uniform rental fee per sport. This fee must be paid before the student is allowed to play in a game. Fees are set annually and can be found in the Athletic Handbook.

- C. Daily monitoring of, and assisting with, student’s homework and extra-curricular activities.

Section A – General Policies

Article 16 – Attendance Policy

A. Absences

1. CCA, in compliance with Kentucky law, expects all students to attend school regularly. It is the responsibility of the student and parent to create the habit of being punctual and regular in attendance.–Regular and punctual attendance is essential for a student’s success. Absences interrupt the smooth and complete process of learning, for your child and the class.
2. Successful education relies upon continuity of instruction, classroom participation, learning experiences, student-teacher interaction, and structured study. Because these factors are so important to successful academic progress, secondary (6th-12th grade) students who accumulate more than 10 absences in a class for a semester shall lose credit for that semester, and elementary (K-5th grade) students who accumulate more than 20 absences for the year shall lose credit for the year. This policy includes, but is not limited to, absences for family trips, college days, personal illness, etc. Absences due to school-sponsored activities are exempt. This policy will be applied to each class separately.
3. Absence is defined as missing 15 minutes of class time.
4. Parents are asked to call the school office before 9:15 a.m. to notify the school of their child’s absence that day, the reason for the absence and the anticipated length of the absence.
5. Parents and/or students should access RenWeb to obtain missed homework\classwork assignments. It is the responsibility of the student to conference with his or her teacher concerning missed work upon return to school.
6. Students will have one day for every day absent to make-up missed assignments.

B. Excused Absences

1. Personal illness, injury, or doctor appointments that cannot be scheduled after school hours.
2. Illness in the immediate family that requires the student’s presence.
3. An educational trip validated **ahead of time** with the Dean of School.
 - a. If you are planning any kind of a trip, the Dean of School must validate it at least one week in advance if your child is to receive excused absences.
 - b. There is a one-week maximum (five school days per trip) for excused absences. Please make trip notification in writing.
4. Death in family
5. A family emergency (be sure to maintain current emergency phone numbers with the school secretary)
6. University\college visit days (eleventh and twelfth graders only):
 - a. Juniors – 4 days maximum
 - b. Seniors – 2 days maximum
 - c. University\college visit days may not be scheduled during term, semester, or final exam days\weeks.
7. Absences may be excused in the following manner:
 - a. A note from an authorized person explaining the absence must be presented to the school office the day following the absence. **Note: Parental written notes do not necessarily constitute an immediate excused absence. All excuses must be approved by the administration.**
 - b. Excused or unexcused absences are to be noted on the attendance forms.

C. Unexcused Absences (Truancy)

Unexcused absences are all absences that do not meet the criteria to be excused as defined and determined by the administration of the school. If a student has accumulated three (3) unexcused absences without approved explanation, the student is considered truant under state law (KRS 159.150 and KRS 600.020). Examples of unexcused absences are inclusive of, but not limited to absences for shopping, late-night activities, fatigue, haircuts, babysitting, needed-at-home, etc.

Section A – General Policies

Once a student is considered truant, the following will occur:

1. The administration will contact parents to discuss the truancy.
2. Upon every third (3rd) unexcused absence, the student must attend three (3) hours of after-school detention (\$24 applicable fee).
3. A parent meeting with the Dean of School will result should truancy continue after the initial contact. At that time, enrollment may be revoked and/or a report may be made to the appropriate legal authorities.

D. Early Dismissal

1. No student will have permission to leave the campus unless accompanied by his/her parent, or unless specific written permission is presented to the office. Those authorized to check-out students must be listed at the beginning of each school year and updated as necessary.
2. No student is allowed to leave campus early without proper check-out through the office.
3. Parents must go to the office to check-out and pick-up their child. Students will not be called from class early to await the arrival of their parents for check-out.
4. Students who drive to school and need to check-out must present written parental permission to the office. The school office should only be called if an urgent situation arises and no written consent can be presented.
5. The biological\custodial parent (as listed on the birth certificate or court named) may pick-up or check-out a student unless otherwise stated on a court order. It is the parents' responsibility to present all court orders to the school.

E. Tardiness

It is important that students always be on time to school and to class. By being prompt, the student is demonstrating self-discipline, responsibility, and maturity. Self-discipline in this area is not only important for proper academic achievement, it is essential for the development of positive personal habits necessary for good citizenship and success. Furthermore, tardiness is considered a form of rudeness and lack of planning. A tardy student interrupts and/or delays the progress for all students in the class.

The following outlines expectation and consequences for tardiness:

1. All students arriving to school late must report to the office prior to going to class.
2. Student drivers with an accumulation of three (3) late arrivals to homeroom will result in one (1) day of after-school detention (\$8 applicable fee).
3. **Any student with an accumulation of five (5) late arrivals to school\homeroom will be equivalent to one (1) unexcused, full-day absence, inclusive of all class periods. Student drivers with an accumulation of five (5) late arrivals will also lose one week (5 consecutive days) of driving privilege.**
4. Consequences for late arrival to class periods are addressed in the Student Code of Conduct and Discipline\Secondary (6-12) Demerit System.
5. **Being on-time to school or a class period is defined as a student having completely entered the threshold of the door prior to the beginning of the bell.**

F. Attendance Appeal

Proper education relies on continuity of instruction, classroom participation, learning experiences, student-teacher interaction, and structured study. Because these factors are so important to successful academic progress, students who accumulate more than 10 absences in a class for a semester shall face increasingly severe academic penalties and will lose credit, pending the appeal, due to these excessive absences. This policy will be applied to each class separately.

1. Students who are denied course credit because of excessive absences may appeal to the Appeals Committee. The responsibility for initiating the appeal process lies with the student and his parents. The Appeals Committee is comprised of the Headmaster and/or Dean of School, guidance counselor, and the student's homeroom teacher. The Committee will evaluate

Section A – General Policies

the student's request for an attendance waiver on an individual basis. Students will be asked to account for the reasons for each absence, providing objective documentation whenever possible.

2. The documented reasons for appeal may include, but shall not be limited to:
 - a. Absences due to extended illness and/or hospitalization that can be documented with a certificate of illness issued by a licensed physician
 - b. Extended illness or hospitalization of an immediate family member
 - c. Death within the immediate family
 - d. Legal issues (such as court appearances, depositions, etc.)
 - e. Natural disaster
 - f. Absences related to parental requests not exceeding five days (including church or religious activities, illnesses not verified by a licensed physician, family vacations, etc.)
3. The Appeals Committee shall review the student's documentation, render a decision and notify, in writing, the student, parents, and teacher.

G. Procedure for Applying for an Attendance Appeal

1. Obtain application for appeal from the CCA office personnel
2. Submit completed application to the CCA Headmaster no less than five days before the end of the semester or the administration of the semester exam. Applications submitted after this date will not be considered unless the eleventh absence is attained after this deadline.

Article 17-After-School Care Program (CAP)

The Cornerstone After-school Program (CAP) provides care after school until 6:00 p.m. daily for an additional fee. Details about the program can be obtained in the school office or by contacting the school at 633-4070.

Article 18 – Late Pickup of Students

Any child left on the school grounds after 3:30 p.m. will be required to report to the Cornerstone After-school Program (CAP) for a pre-determined fee. Cornerstone Christian Academy is legally responsible for all students on our campus, and after 3:30 p.m., the after-school program is where we can properly and safely supervise your child. Parents desiring to enroll their children in CAP on a regular basis will need to fill out an Information/Emergency form. Please note that parents who leave their children at the school after 6:00 p.m. will incur additional charges. Please contact the CAP administrator for further information.

Article 19—Emergency Procedures

Personal

Every student is to have on file at CCA emergency information making it possible for the school to contact someone in the family or other designated adult at all times.

Crisis Management

Classroom teachers will train all students in the procedures for all drills. Procedures will be posted in each classroom and drills will be conducted periodically.

Article 20—Fund Raising

The costs involved in the operation of Cornerstone Christian Academy significantly exceed the amount that is charged in tuition and fees. Therefore, we ask that families support the ministry of the school above and beyond tuition and fees, as they are financially able. This can be accomplished through voluntary tax-deductible gifts or participation in the fundraising programs of the school.

Section A – General Policies

Gifts from patrons and supporters may be designated to one or more of the scholarship funds, may be designated for scholarship purposes to aid current students in financial need (Not able to specify child if gift is for donation purposes), may be designated to a specific project, or may be deposited to the general operating fund.

The CCA Director of Development must approve **all** fundraisers prior to being implemented. Approval from the Director of Development must also be obtained for all on-campus selling prior to any sales being conducted.

Article 21—Integrated Pest Management Program (IPM)

CCA provides numerous health services for students and school employees. The IPM program prevents pest infestations. A recent change in state regulations now requires that the school provide a 24-hour notice prior to any IPM applications made on the school property.

Article 22—Security

The only access into the school buildings during school hours is through the front office entrance. All parents, guests, and other visitors to the school must sign in at the secretary's office and wear an identifying badge while on campus. Visitors must also sign out, return the badge, and leave campus through the front door.

Article 23—Traffic Safety

It is imperative that all drivers travel in a slow and controlled manner while on campus. Please observe speed limit signs and be vigilant in watching for children. The safety of our students is a great concern.

Student drivers who do not follow these rules will be in danger of losing driving privileges at Cornerstone.

Article 24—Website

Cornerstone can be found on-line at www.CCAofKY.org. This website provides access to policies and procedures of CCA as well as up-to-date information about events.

Article 25—Parent-Teacher Groups

The purpose of the Parent-Teacher Fellowship (PTF) is to assist in raising funds that will directly benefit and enhance the learning experience for students and assist in coordinating volunteers that will serve both the classroom students and the teachers. The mission of this group is to promote Christian education and to create a greater fellowship among all parents, teachers, staff, and student body.

Article 26 – Required Volunteer Hours

For each child enrolled, a minimum of eight (8) volunteer hours must be served. Any adult, over the age of 21, may serve the hours on behalf of a student. A buy-out option of \$20.00 per hour is available. Volunteer hours should be recorded on the appropriate form located at the school receptionist's office.

Section B – Student Conduct and Discipline

Article 1 – Student Conduct and Discipline

A lifestyle that reflects Christian principles stands out in today's crowd. At CCA, we have standards of conduct and dress that we believe should be a part of the student's mode of living. Most of the standards are simply for the protection of the student and for the orderly operation of our school.

The Board of Directors and the Administration of Cornerstone believe that the full potential of academic excellence can be accomplished only where faculty leadership is strong, discipline is firm but fair and moral/spiritual values are emphasized within a loving, caring Christian atmosphere.

It is our belief that students learn self-discipline through four aspects, which reflect God's principles of human behavior.

- A.** ORDER is the organization, which provides a good environment for learning.
- B.** TRAINING is the process of practicing what is right.
- C.** CORRECTION is the discouragement of wrong behavior.
- D.** PRAISE or AFFIRMATION is used to encourage students to continue in obedience.

Students and parents are asked to carefully review these rules and regulations. Submission of an Application for Admission is an indication that both student and parent will comply with all of the rules as stated.

A. Disciplinary Action

Teachers will generally be responsible for the conduct of students throughout the school day by use of a classroom discipline plan. Students should expect to receive a disciplinary report should he or she not respond to the teacher's classroom discipline plan or if he or she commits an infraction. Should a student receive a disciplinary report for an infraction, he or she must report to the Dean of School. The student will receive the appropriate consequence for the committed infraction and his or her parent will be notified by phone and/or an email.

Breaking school rules can and will result in prompt and appropriate action, and continued disregard for school discipline policy will be addressed. A ***Behavioral Intervention Plan*** will be implemented for students who reach a specific step or demerit on the school's discipline plan. The plan will be initiated by the Dean of School and/or Guidance Counselor and will be developed in conjunction with the student's teacher(s) and parents.

This is not a 'Police State' type of school, but we must have basic helpful and safety-minded rules to which students will be expected to adhere. A family's complete support and cooperation is **required**. Please keep in mind that we are all working together in Christ to develop a lifestyle which will bring honor to the Lord Jesus.

B. Disciplinary Action Alternatives

Disciplinary alternatives include, but are not limited to, the following: parent conferences, lunch or recess detention, after-school detention, work detail, non-participation in extra-curricular activities, paddling, in-school suspension, suspension, expulsion, and/or required professional, Christian counseling.

C. Corporal Punishment

CCA reserves the right to corporally punish any student for infractions at the designated level in the Code of Behavior. The Headmaster may administer corporal punishment with a witness present and subject to parental approval, the parent may be present when administered. If a parent desires Cornerstone not to use corporal punishment, then suspension will be used as the alternative consequence. Parents will need to send a letter to the Headmaster if they request corporal punishment to not be used.

- *Folly is bound up in the heart of a child, but the rod of discipline will drive it far from him. Proverbs 22:15*
- *Do not withhold discipline from a child; if you punish him with the rod, he will not die. Punish him with the rod and save his soul from death. Proverbs 23:13-14*

Section B – Student Conduct and Discipline

Article 2 – Code of Behavior

Cornerstone Christian Academy holds that the Bible is the infallible, divine Word of God and that salvation by faith in Christ is the initial step in the Christian life. There is adequate basis for the idea of spiritual growth into the image of Christ (Romans 8:29), which is the work of the Holy Spirit (2 Corinthians 3:18). This growth begins with the initial act of saving faith and continues throughout life. The Holy Spirit makes the Christian conscious of the Biblical demands for a holy life, which fulfills both God's moral law and high law of love (Matthew 22:27-39, Romans 13:8-19, Galatians 5:15). The result is a life consecrated unto God and separated from the world.

Cornerstone must, therefore, provide an environment conducive to the spiritual growth and development of young people who are not mature Christians. A Code of Behavior based on the following Biblical imperatives is necessary to provide such an environment. All of the activities of the Christian must be subordinated to the glory of God who dwells within us (1 Corinthians 8:9, 12-13, 10:32). The Christian will endeavor to avoid practices which cause the loss of sensitivity to the spiritual needs of the world, which are stumbling blocks to weaker Christians, and which cause loss of the Christian's physical, mental, or spiritual well-being.

In order to insure spiritual and educational benefits for all students, each student will be required to conform to and obey all rules and regulations of the school. Our primary objective will be to help the student develop self-discipline and respect for authority. All students are subject to the authority of CCA staff members on the school grounds and during school functions. Students will be courteous and respectful to CCA staff members and visitors at all times.

Section B – Student Conduct and Discipline

Section B – Student Conduct and Discipline

Article 3 - Prohibition and Procedure of and for Harassment, Intimidation, and Bullying

Cornerstone Christian Academy is committed to a safe, secure, and nurturing Christian environment for all, free from harassment, intimidation, or bullying. “Harassment, intimidation, or bullying” means any intentional written, verbal, or physical act, when the intention written, verbal, or physical act:

- Physically harms a student or damages the student’s property; or
- Has the effect of interfering with a student’s education; or
- Is severe, persistent, or pervasive that it creates an intimidating or threatening educational environment; or
- Has the effect of disrupting the orderly operation of the school.

Harassment, intimidation, or bullying can take many forms including: slurs, rumors, jokes, innuendo’s, demeaning comments, drawing cartoons, pranks, gestures, exclusion, physical attacks, threats, or other written, oral, or physical actions.

Corrective discipline and parent involvement will be used to change the behavior of the “bully” and remediate the impact on the victim. This includes appropriate intervention, restoration of a positive climate, and support for victims and others impacted by the infraction(s). Professional counseling may be recommended at the expense of the parents. *False reports or retaliation for harassment, intimidation, or bullying also constitutes an infraction.*

GENERAL PROCEDURES FOR ADDRESSING HARASSMENT, INTIMIDATION, OR BULLYING:

- All instances of harassment, intimidation, or bullying witnessed by a faculty or staff member will be documented on a *Disciplinary Report Form* and submitted immediately to the Headmaster and/or Dean of Discipline.
- Complaints given by students should be submitted to the teacher. Teachers will record in writing any complaint that is given by a student who is unable to write. The teacher will read what has been recorded to the student, and the student will sign his or her name. The teacher will keep a copy, and a copy will be submitted immediately to the Dean of School.
- Complaints given by students to a parent should be submitted immediately to the Dean of School in writing, signed by both the student and parent.
- The Dean of School will act accordingly to all instances witnessed by a faculty or staff member as an infraction. All complaints not witnessed by a faculty and staff member will be investigated by the Headmaster promptly.
- The Dean of School will address all parties involved, both the accused and the victim, respecting the confidentiality and privacy of all involved, yet creating an environment of collaboration to reach a resolve.
- Students who have committed a harassment, intimidation, or bullying infraction will receive the consequences as determined by the CCA Code of Behavior. An opportunity for correction will be given.
- If another infraction of harassment, intimidation, or bullying occurs, the development of a student **Behavioral Intervention Plan** will be initiated, inclusive of measurable goals and objectives, as well as school guidance counselor services. Failure to meet progress through interventions will result in the CCA Code of Behavior being upheld and enforced.
- Habitual and continued infractions of harassment, intimidation, or bullying will lead to expulsion in accordance with, and in compliance with, the CCA Code of Behavior.

Section B – Student Conduct and Discipline

Article 4 - Procedure for Defense of Self or Another (exception to “fighting” infraction)

1. If a student is attacked, bullied, or is coming to the defense of another every attempt should be made to make peace and to avoid a physical confrontation.
2. If repeated attempts at avoiding a confrontation fail, or if the confrontation places the student in immediate physical danger, he may use the minimum amount of force necessary to defend himself and stop the attack.
3. Every incident of attack or bullying, whether or not defensive measures were necessary, must be reported immediately to the supervising school official and homeroom teacher.

Article 5 - Playground Rules

9. All accidents are to be immediately reported to the playground supervisor, who will assess the attention needed.

Article 6 – Boy-Girl Relationships

CCA provides opportunities for boys and girls to cultivate friendships with the opposite sex. In some instances, these associations will deepen into more than passing friendships. This is both natural and expected; however, all such friendships must be handled in a responsible manner. Public displays of affection, such as holding hands and other physical intimacies, will be considered in poor taste and will be prohibited. Couples may not sit in cars together during or after school hours.

Since every student is a representative of CCA, commission of any of the Major Infractions that apply during or after school hours will be the cause of discipline, suspension, or expulsion. These Christian lifestyle requirements include summer and other vacation periods. Parents are required to support staff disciplinary measures or children will not be allowed to continue to attend CCA. If parents are to utilize CCA, they must maintain a basic trust in our disciplinary judgments, which are carefully measured and evaluated.

Article 9 – ‘Hands-Off’ Policy

All students are expected to maintain a respectful stance of keeping their hands to themselves. Cordial greetings of appropriate handshakes, ‘high fives,’ pats on the backs, etc. are encouraged, but all forms of casual play hitting, pushing, wrestling, etc. are prohibited.

Section B – Student Conduct and Discipline

Parents, please help your children and us by examining your children's dress before they leave for school to be sure that it conforms to the school dress code. The following uniform dress guidelines do not attempt to embrace every conceivable situation in the realm of uniforms. Section C – Basic Academic Matters

Article 1 – FACULTY & STAFF EXPECTATIONS

All CCA staff members have been carefully selected on the basis of their education, experience, and integrity. The most important qualifications for the instructional staff are an unselfish spirit of dedication to children, a belief that the Christian School ministry is their service to God, and a complete and personal commitment to the Lordship of Jesus and the Lordship of the Word of God.

- All faculty and staff are required to go through the interview process with Administration.
- Each faculty and staff member must submit to a background check before beginning.
- Each faculty and staff member that is working with students may be required to attend in-services and teachers' meetings for adequate training and information gathering.
- Each faculty and staff member is expected to read and have ample knowledge of the Faculty and Staff Handbook.
- Faculty and Staff members are expected to conduct themselves in a manner that upholds all the standards of the school.
- Each faculty and staff member may be placed under a/another staff member that will serve as a mentor and to whom they will be accountable to on a base level.
- All faculty and staff members are subject to oral and written reprimands.

Article 2-Bible

We believe that the Bible is God's direct revelation to man and contains the divine answers to man's problems and needs. We teach the Bible both as a text and as a guide to enable students to develop a personal relationship with God and to critically evaluate all life's situations by the standards set forth in the Bible to encourage making proper decisions based upon Biblical mandates and its examples; **therefore, the Bible is the center of our curriculum and the foundation of Christian Education at Cornerstone Christian Academy.**

Article 3 – Facilities

CCA is located at 3850 Frankfort Road (US 60). All activities of the school day will take place on the school premises unless parents are notified otherwise.

Article 4-Academic Probation

A student whose six-week grade point average (GPA) reaches or falls below 1.5 will be placed on academic probation for the following six weeks. If the student's GPA is raised to a minimum of 2.0, the student will be removed from probation. If the student's GPA remains below 2.0, a committee of administrators and faculty members will decide whether the student shall continue to attend school. If a student is asked by the committee to withdraw, the parents may submit a written request to the Oversight Committee asking that their student be allowed to continue.

Article 5-Academic Recognition

Cornerstone recognizes two levels of honor students:

High Honor Student – All students who receive the grade of *A* in all course work and a grade of *S* or above in conduct

Honor Student – All students who receive the grade of either *A* or *B* in all course work and a grade of *S* or above in conduct

Section C – Basic Academic Matters

Article 6 – Retention

Students who fail two or more core subjects (language arts, social studies, math, science) for the year will be considered for retention. The administration and teachers will evaluate the student's progress to determine if the student will benefit most by being retained in his current grade. High School students who fail a course will be required to repeat the course.

In High School, to be promoted to the next grade, a student must earn:

- 4 credits to be a Sophomore
- 9 credits to be a Junior
- 14 credits to be a Senior

Article 7 – Homework

Regular homework will be assigned. Homework is assigned for the following reasons:

- To increase student understanding
- To enhance student retention, understanding, and knowledge
- To prepare students for future work
- To foster an atmosphere of cooperation between home and school
- To increase self-reliance and self-discipline
- To reinforce and extend classroom learning
- To provide practice in skills and problem solving
- To provide opportunities for special projects such as book reports, compositions, and special research projects

Parents are expected to be certain that adequate time is provided for students to do homework, and that students complete all homework. Uncompleted homework is a "major infraction" that lowers a student's grade. If it is habitual, it can result in dismissal from the school. No student may refuse to complete assigned work and continue as a CCA student.

All long-term assignments, projects, or reports are to be turned in on the assigned due date, even if the student is absent from the school. If the assignment will be late due to a prolonged illness, it is the responsibility of the student to contact the teacher to let him know that the assignment will be late, and the reason; otherwise, the assignment, project, or report will be considered late if it is not turned in on the original due date.

Normally, a student will be allowed one day to make up work for every day ill. If a test or assignment was scheduled ahead of time, he may be required to take the test or turn in the assignment on the scheduled day, at the teacher's discretion.

You, as a parent, can help by giving your child a proper environment for study. You may need to be firm in eliminating some of the distractions that interfere with getting homework completed, **especially excess TV, video, and computer games**. We believe that these distractions, and also inadequate nutrition (especially breakfast), and lack of sleep are major causes of academic and personal failure! If you do not understand the homework policy, please discuss it with your child's teacher. Also, please be sure your child gets at least eight hours of sleep every night before a school day and that he eats a nutritious breakfast every morning. Proper rest and nutrition are important preparations for learning.

Teachers will refrain from giving homework on Wednesday night because of church services that we encourage students to attend; however, assignments made in advance of Wednesday which are due on Thursday may require some preparation on Wednesday night.

Homework should be an individual task, not one of sharing, unless specified by the teacher.

Article 8-Plagiarism

Plagiarism is using someone else's words or ideas in your writing without proper acknowledgement and documentation. Plagiarism is cheating and a major violation of the discipline code. Teachers and administrators will punish students for plagiarism. Once a student is found guilty of having plagiarized on a paper or project, the penalty will be a zero on the assignment. Students will be given the opportunity to rewrite their paper or redo their project for 50% of the grade.

Section C – Basic Academic Matters

Examples:

- Having another person write a paper for you and turning it in as your work
- Turning in another student’s work as your own, including copying answers from another student’s work
- Copying a paper from a source without proper acknowledgement
- Copying materials, words, or ideas from a source, supplying the proper acknowledgement, but not using quotation marks or italics.
- Paraphrasing materials, words, or ideas from a source without using proper documentation.
- Buying a paper from a research service or term paper mill
- Turning in a paper from a “free” term paper website

How to avoid plagiarism in your writing:

- Document all direct quotations. Make sure that you have copied each quotation word for word and that the punctuation is the same as the original.
- Document information you’ve paraphrased or summarized. This includes all ideas and expressions that you adapted from your sources.
- Follow documentation style (MPA, APA, Chicago Manual, etc.) required by the course instructor.
- Consider Biblical instruction: *Do your best to present yourself to God as one approved, a workman who does not need to be ashamed and who correctly handles the word of truth.* II Timothy 2:15 (NIV)

The only information not requiring acknowledgment and documentation is common knowledge. Common knowledge is information that can be found in several different sources, usually exists in more than one subject area, and is knowledge that many people possess.

Article 9 – Classroom Standards and Grading Scale

Each student is expected to be on time and properly prepared for each class. Each teacher will establish the rules for classroom behavior that shall prevail in his classroom. Students shall heed these expectations, both academically and in their conduct.

Teachers will communicate to students how grades will be determined. Each secondary teacher will provide a syllabus for students outlining the goals of the course, the requirements, and the texts and materials to be used. The following grading scale will be used for all classes.

GRADE	PERCENT
A	90-100
B	80-89
C	70-79
D	60-79
F	50 & Below

Article 10 – Library

Reference books, such as encyclopedias, are not to be taken from the library during the day without permission.

Article 11 – Reporting Student Progress to Parents

Reporting student progress is an important part of parent/teacher communications. The reporting process is meant to convey the amount of achievement and growth of each student. Several reporting methods will be utilized and in each case, the focus will be upon the individual, not the group, or a comparison with a group.

Section C – Basic Academic Matters

A. Progress Reports

Mid-term evaluations will be sent home approximately three weeks after every six-week or semester report card. Parents are responsible to monitor, from the dates listed on the yearly calendar, when these are scheduled to be taken home. All scheduled dates are firmly adhered to without exceptions. Six-week and semester report cards will be issued according to the yearly calendar.

B. Conferences

Conference time is built into our school calendar. This is an opportunity for our teachers to meet with all parents in a consistent effort to keep them informed of their student's progress. Conferences between parents and members of the school staff are encouraged. If any time during the school year you have a question or concern, special arrangements can be made for conferences during non-school hours. All teachers have some unscheduled time every day and will be glad to arrange a conference. In every case, a call to the school office for an appointment is necessary to avoid conflicts and possible long waits.

C. RenWeb

Parents have access to their child's grades, attendance, discipline, and other school relative information via the school's student data system, RenWeb. Instructions on accessing each child's account will be given to the parents at the beginning of each school year.

Article 12 – Extra-Curricular Activities Eligibility

Extra-Curricular activities are viewed as a subordinate element to the primary purpose of the school, which is to serve the parents as an **academic** resource. A student must maintain a **minimum overall 2.0 GPA, with no failing grade (F)** in any one class. Failure to meet this requirement will result in the following:

- Any student who does not meet the minimum requirements shall be placed on probation until the next three-week progress report or report card. Once a student reaches a probation status, he/she will remain at that status for the remainder of the school year.
- In consideration for sports beginning prior to start of the school year, students who did not meet the minimum overall GPA, or who had a failing grade in any one class at the end of the previous school year, will automatically be placed on probation at the beginning of the school year.
- At the end of a probationary grading period, if the student's grades do not meet the minimum requirements, he/she will be suspended from any participation (inclusive of practices, games, meetings, etc).
- A student must serve a suspension through a minimum of five (5) consecutive school days, but thereafter, when the student reaches the minimum requirements for eligibility, he/or she will return to a probationary status.
- Upon a student's third suspension during a particular season, he/she will be denied from participating.
- Students may also be declared ineligible at the discretion of the sponsor, coach, Athletic Director, Dean of School or Headmaster for disciplinary reasons.

Article 13 – Physical Education

All students in grades PK-5 are required to participate in scheduled physical education activities, unless specifically excused. Rules for student dress during P.E. classes are set forth in the paragraph on the dress code in Section B.

Section C – Basic Academic Matters

Article 14 – Field Trips and CCA Sponsored Events

Field trips are planned for their educational value. Notes giving details of the trip will be sent home with a permission slip. It is essential that parents sign this permission slip and return it to the school. NO student will be permitted to go on a trip without permission slips being on file.

Field trips are regarded as an extension of the classroom provided the intent is educational and relates to the subject area that the class is studying. Efforts are made to keep the expense of field trips as reasonable as possible. All expenses of field trips are the responsibility of those participating. Written parental permission must be received in order for students to participate.

- No student is allowed on an off-campus trip without specific written parental permission.
- Students may not leave a field trip with a parent or another child without written notification.
- Siblings are not permitted to go on field trips; however, mothers with infants that are traditionally nursing may bring their infant upon prior notification to the school. Sponsors must give their full attention to the care of students.
- All students will wear uniforms on field trips unless otherwise informed by the supervising teacher, coach, or administrator.
- Students may not ride with other student drivers on any school field trip.

Parents will normally be invited to participate in field trips, but it should be understood that the supervision of the students is the responsibility of the teacher and he will retain full right to exercise authority in the administration of supervisory and disciplinary measures during the field trip.

Field Trip Driver's Guidelines

To insure safety when a parent drives on school sponsored field trips, the following rules must be observed:

1. Any parent that drives on a field trip, regardless of who is riding with them, is required to provide proof of insurance and a valid driver's license. Make copies of these cards and submit to Financial Office to keep on file for insurance purposes. They will also be subject to background and driving records checks.
2. All students are to be buckled in by seat belts at all times.
3. Drivers are expected to follow the route selected by the teacher unless prior approval for a route deviation has been secured.
4. The primary responsibility of the driver is to care for the students in the group assigned to that driver. Unless directed otherwise by the teacher in charge, keep those students with you at all times. Do not leave any location without having accounted for all students for whom you have responsibility.
5. When students have returned to campus, remain with them until the teacher in charge has arrived and taken full responsibility for the class.
6. Drivers are not to make stops that are not on the agenda for the entire class. (For example: stopping by a fast-food restaurant for a drink before coming back to the campus.) All stops must appear on the General Request Form, which was approved by the Dean of School.
7. Drivers are in authority in their vehicles. Correct any unsatisfactory behavior, including noise or rudeness, and provide the teacher in charge with information regarding any student who fails to respond promptly and politely to correction.

Article 15 – Grade Point Average (GPA) Standards and Application towards Degree

A. General Guidelines

1. CCA will accept up to 16 credits from home schooling toward meeting graduation requirements of 23 credits.
 - Home School credits will be accepted on a pass/fail grade scale and will not be used in calculating their GPA.
2. Requests for additional home school credits to be applied toward graduation are subject to review by the CCA Academic Committee.
3. Students who transfer in for/during their senior year must complete four credits at CCA to receive a CCA diploma.

Article 19—Standardized Testing

Students are given the Achievement Test in the spring of each year. Exact testing dates are established by the Headmaster. Parents should make every effort to have their child in school during test week.

Article 20—Add/Drop Class Procedures

A student may add and drop classes provided there is an opening in the class the student wishes to enter. Requests for schedule changes should be directed to the counselor. Note the potential penalty involved in dropping classes:

- Within the first 6-weeks of a semester – May add or drop with no penalty
- After the first 6-weeks of a semester – Student may drop, but will receive a failing grade which affects GPA

Students will only be permitted to have one study hall. Students requesting more than one study hall must be granted special permission only by the Headmaster.

Article 21—Semester Exams

Semester exams will be administered to secondary (9th-12th grade) students to measure the students' retention of the material studied and to give the students experience in taking comprehensive tests. These exams will typically be given during the last week of each semester and will be according to the defined schedule created by the Headmaster and Guidance Counselor. Semester exams will account for 10% of the semester grade.

Teachers may choose to exempt some students from the exam. To be eligible for consideration of exemption, a student must meet **at least** the following criteria:

- 1) 90% average for the semester prior to the exam
- 2) No more than 5 absences from the class during the semester

No exceptions will be made to these minimum standards

Individual teacher requirements for exemption may be higher than the minimum. Also, teachers may opt to require all students to take the semester exam for a particular course. Teachers will announce the exam policy for each course at the beginning of the semester.

Article 22—Guidance

The counselor is a specialist who helps students and parents with academic, college, career, and personal concerns. Students are welcome to drop in any time during the office hours, but it is suggested that an appointment be made if the counselor's services are needed for more than a few minutes. Students must have their teacher's permission to visit a counselor during class time.

In case of emergency closing, a 'One-Call' message will be sent via telephone, and information will also be broadcast on television channels: WHAS 11, WLKY 32, WAVE 3, FOX 41. Every effort will be made to notify these stations of our decision as early as possible. The decision to close school will rest with the administration.

Article 6 – Closed Campus

We follow a closed campus policy. Students must stay on the school grounds from arrival time until dismissal. Students must bring a written parental request to the office or receive permission from the office to leave the campus for any reason. Visitors from outside CCA may not enter the campus without permission from the Dean of School, even during lunchtime.

Article 7 – Supervision of Students

Supervision of students on school property is provided from 7:30 a.m. to 3:30 pm. The school will not be responsible for students before or after this time period. During this time period, it is understood that the child is the responsibility of CCA; we retain the authority to exercise supervisory and disciplinary measures as needed.

Students who are not picked up by 3:30 pm will be placed in CAP (Cornerstone After-school Program). Parents will be charged the daily fee for this service. Students will not be permitted to stay after school to wait to leave for any after-school function without special permission from the Dean of School.

While visiting the school at any time, please sign in at the school office before entering the facility and sign out before departing. All visitors must be dressed modestly; also, pre-school age children are not permitted to visit the classes. In the best interest of the students, the administration reserves the right to ask a parent not to visit during educational setting times.

Article 10 – Telephone Calls, Messages, and Visits

Throughout the year, there may be unannounced fire drills. When the fire alarm sounds, all persons in the school building will file out in a quiet, orderly fashion. All doors must be shut, lights turned off, and absolutely no talking. Each student is to remain with his classmates at all times. All classes will have an "assigned exit" through which they are to pass. A signal will be given to reassemble in the classroom.

NOTE: Other types of safety drills may also be practiced.

Article 14 – School Supplies

Students will need to bring their Bibles to school daily. An inexpensive Bible is fine for study. The standard for elementary instruction will be the New King James Version, and the standard for secondary instruction will be the King James Version. A Bible with center references (Scripture references in column in center of each page) and a concordance is recommended, but not mandatory. Parents may request memorization from particular versions, but a copy of that version should be supplied to the teacher as well. Teachers may require a particular version in their classes. Additional supplies will be required for classes and will be published annually. Individual teachers will describe in more detail what materials students will need for each class.

Article 15 – Health Records

Students are to present and maintain a current certificate of immunization. The following immunizations are required by order of the Health Department: Polio, DPT, Rubella, Measles, Mumps, and TB. Parents may send a signed notice of immunization exclusion because of religious convictions.

Section D – School Routine

Article 16-- Medications

Parents are asked to consider the potential danger of having students bring medication to school. The school recognizes that medications are justified in chronic and short-term acute health conditions, but **no medication** will be administered without the written request of a parent or directive of a physician. Be sure any chronic health conditions and/or medications have been written and submitted to the staff to be added to the permanent record. Any medication that must be sent to school must be in the amount appropriate for **one day at a time only**.

Article 17 – Communicable Disease or Sickness

Please telephone the school immediately if your child is diagnosed as having a contagious disease. We would appreciate your cooperation in this matter. We reserve the right to ask parents of children with contagious sicknesses to keep their child at home until the child is no longer contagious. Cornerstone has a no nit policy concerning lice.

Article 18 – Illness During School Hours

If a student becomes ill during the day, he will be excused to go home. Ill students will not be allowed to remain throughout the day since we are not equipped with an appropriate area. Before the pupil is excused, however, the school office must contact a parent. For this reason, it is important that the school has the correct home and work telephone number of both parents. If a student is apparently ill at school, a parent is responsible to get the child home or to a doctor within an acceptable time frame. Parents may **not** leave a child at school when there may be an illness.

Article 19 – Student Illness or Injury

If any student suffers major or life threatening illness or injury while attending class, a field trip, or school activity, the school will seek reasonable emergency medical care as judged necessary by the staff person in charge. We believe this to be our moral and legal responsibility; simultaneously, every effort will be made to contact the child's parents. Parents will be responsible to pay for services obtained on the child's behalf if not covered by school insurance.

Article 20 – Student Return to School Following Illness

In order to minimize the possibility of passing an illness to other students or of worsening an existing illness, a student who has been experiencing fever and/or vomiting must be free of these symptoms for at least 24 hours before returning to the school.

Article 21 – Student Insurance

Student insurance within the realm of the school's liability will be provided.

Article 22 – School Parties

Each class is allowed to have parties during the course of the school year (Christmas, Valentine's Day, etc.). These are planned by the homeroom parents in cooperation with the classroom teacher. **It is the policy of the school to avoid any decorations, snacks, costumes, or events related to Halloween.**

During the school year there are some parties for school students that are not school sponsored, but organized by individual students and their parents. *Party invitations for out-of-school parties may NOT be distributed (or verbalized) in school unless there is an invitation for each child in the class. Parents are also asked to consider the impact of picking up some children with sleeping bags, etc. for an after-school gathering. Children can be terribly hurt when it is so obvious a party is occurring and they were not invited.*

Section D – School Routine

Article 23 – School Colors

The official school colors of CCA are navy and gray.

Article 24 – Lost and Found

Please label all books, clothing, lunch boxes, supplies, games, toys, etc. This expedites the search for the rightful owner. All items found should be turned in to the office. Lost items that are not claimed may be considered abandoned and may be disposed of at the school administration's discretion.

Article 25 – Right of Access to Records

The Buckley Amendment of the Family Educational Rights and Privacy Act of 1974 grant the right of access to educational records accumulated subsequent to December 21, 1974. Access requests must be submitted to the Headmaster's office. Available records include grades, evaluations, and standardized test results. These records cannot be released to persons or institutions outside the school without written request of the parents.

The Buckley Amendment affords the right for challenging the accuracy of recorded information. A parent may challenge the content of the records by making a written statement of his position. That statement shall be inserted in the records.

Article 26-Lockers

A locker will be assigned to each secondary student at the beginning of the school year. Students must use the locker they are assigned unless permission to change is granted. Magazine pictures, posters, stickers, or slogans are not permitted outside the locker. Personal photographs hung in lockers must be attached with magnets and or sticky tack (no tape please).

The school reserves the right to open any school locker at any time. Periodic locker inspections will be conducted to insure neatness and proper care of lockers.

Students are responsible for items lost or misplaced due to leaving their locker open or unlocked. Tampering with any lock/locker, whether your own or someone else's, will result in disciplinary action.

Students should report any locker malfunctions to the office immediately. Lockers are not to be damaged in any way, inside or out. Students will bear the expense of locker damage at the end of the school year.

Article 27-Messages to Students

If it is necessary to send a message to a student at school, call the school office giving the student's name, grade, and a concise message. The student will be given the message at the earliest convenient time. Classes will not be interrupted to deliver a message or to have a student return a phone call. Students may **not** make or receive calls on cell phones during the school day.

Article 28—Student Drivers

Student drivers are required to register with the school prior to driving to school. Vehicles will be required to have their parking permits visibly displayed, and students will need to park in the far east rows of the parking lot. Parking decals can be purchased in the office for \$5. The student's driver's license and proof of insurance must be presented. Student Drivers are expected to drive slowly and safely at all times. **Once a student driver arrives on campus, they are to remain.** Students will not be allowed to return to their cars during the day unless special permission is granted through the school office.

Parking on campus is a privilege not a right, and those who fail to adhere to the policies or fail to drive appropriately may face disciplinary action and the forfeiture of the privilege of driving to school. CCA reserves the right to revoke driving privileges to those drivers who are reckless or do not follow safe driving standards.

Section D – School Routine

Article 29—Extracurricular Events

Students are required to attend class the day of an extracurricular event in order to participate in that event.

A. Athletics

The athletic program at Cornerstone is an integral and vital part of the total school education program. Its purpose is to make positive contributions to the physical, social, emotional, and spiritual development of the participants, the spectators, the school, and the community.

All students and families are encouraged to attend athletic events and become active supporters of CCA teams.

Students desiring to participate in sports at CCA may pick up an eligibility rules and regulation brochure from the Athletic Director or the office. There are fees associated with athletics. Fees are based on the team roster, not the grade of the student. Athletic fees are determined on an annual basis and will be published in the school's *Tuition and Fees Schedule*.

Please be aware that academic grades and student behavior are taken into consideration for eligibility to participate in any extra-curricular activity.

B. Student Organizations

The following are some of the clubs and organizations that may be active at Cornerstone: Beta Club, Student Council, and National Honor Society.

In addition, each secondary grade is an organization that elects officers and plans activities for itself.

Article 30 – Pet\Animals Policy

Dogs, cats, birds, snakes, and other pets or animals are not permitted in any Cornerstone Christian Academy (CCA) building, nor at any venue that is hosting a CCA event, activity, or athletic competition. The exception will be service animals while they are performing tasks for the individual they accompany, and animals approved by the administration specifically to meet curriculum and/or instructional objectives. A service animal is an animal specifically trained to perform one or more specific functions or activities of daily living for an individual with a documented disability.

Section E – Ending Remarks

Article 1—Board of Directors and Board Committees

The Administration of Cornerstone Christian Academy is held accountable by a Board made up of 12 individuals. The members (serving on a term basis) are to be from various denominational backgrounds and varying experience that as a unified group can give the most effective and productive leadership and accountability to CCA’s Administration. Faculty and staff are not eligible for Board membership.

The Board meets regularly to evaluate the vision of the school and to monitor the success of its strategies. Board meetings are open to Board members, the Administrator and any voting ex-officio member.

The Board gives preference to new appointees to those who have first served on a committee. Applications from parents and/or community members to serve on any of the following committees are welcome: **Development, Facilities & Grounds, Finance, Safety & Security, and Technology**. Article 4—Ending Remarks

Many institutions believe the school’s responsibility to the students does not go beyond academic work or “school hours.” We, at Cornerstone Christian Academy, do not take such a position. We believe that it is our responsibility to set Biblical standards for our students and we will take a firm stand in doing so. The call of Jesus to a Christian lifestyle is a 24-hour-a-day call.

Each of the students and parents has made a conscious decision to attend Cornerstone. It is our position that those who make that decision thereby agree to accept the standards and principles of the school and the Bible. For us to pursue any other course would be to abandon the responsibility of a Christian School. We appreciate the confidence shown by you in placing your student under our authority to guide and teach them socially, academically, and spiritually. We will, by God’s grace, fulfill that trust with diligence and excellence.

“We know that as we work upon marble, it will perish; if we work upon brass, time will efface it; if we rear temples, they will crumble into dust; but as we work with men and imbue them with principles, we engrave on those tablets something that will brighten lives for all eternity.”

Daniel Webster
