Cornerstone Christian Academy received confirmation in February of a \$100,000 matching grant designated for the Multi-Purpose Athletic Complex currently under construction on the West side of the campus. The grant, from an anonymous family, will match dollar for dollar raised – up to \$100,000 – toward Phase II of the sports complex. We will use this gift to seek individual gifts up to and beyond the matched grant amount.

It is the intent of the donor that this generous gift will inspire and encourage other supportive donors to partner with us in the continued building of this much-anticipated project. This project will not only add a substantial asset to our campus, but will provide top-quality facilities for our athletic program.

Our school campus is located on 31 acres of property. When purchased, the location was chosen with an eye toward growth - growth of facilities, parking, and plenty of room for playgrounds and athletic fields. It is exciting to see these foreseen plans coming to fruition!

With full approval of our Board of Directors; Phase I of the Multi-Purpose Athletic Complex was completed in November, 2016. Completion of Phase I was made possible by the generosity of Stephen Edwards, Michael Roberts, Shuck Fence, Mark Osborne Excavating, and Johnny’s Lawn Service. Phase I involved plotting out a full-sized soccer field, many days of excavation, seeding, and straw-covering. The soccer field is now grass-covered and being mowed regularly; with plans to begin scheduling practices and home games on our very own soccer field next season!

Completion of Phase I has set the stage for Phase II additions. Upon completion; the Cornerstone Athletic Complex will contain a soccer field, multi-purpose building with concessions and restrooms, and baseball field; along with electricity, fencing, bleachers, and equipment needed for each addition to be fully-operational.

It is our faith-filled goal that we will not only be able to meet the \$100,000 matching grant funds, but exceed them as we look toward projected total costs of \$385,000 for completion of the complex. Please consider making a gift to support this project. Gifts in any amount are a blessing and much-appreciated. Thank you for your consideration and support.

Make a tax-deductible donation to this exciting project on-line at www.CCAofKY.org, click “Giving” and “Donate Now” or make checks payable to Cornerstone Christian Academy and mail to 3850 Frankfort Road, Shelbyville, KY 40065. *All gifts to Cornerstone Christian Academy are tax-deductible.*

“For truly I say to you, if you have faith the size of a mustard seed, you will say to this mountain, ‘Move from here to there,’ and it will move; and nothing will be impossible to you.”
Matthew 17:20b
